

Quarterly Newsletter

February - April

Dear Families,

We are excited to continue another wonderful school year filled with engaging themes, creative activities, and hands-on learning experiences that support children's development in language, math, science, art, and social skills.

Our Christmas celebration brought families, staff, and children together for a joyful holiday event. The children enjoyed singing and dancing to festive music while families joined us to celebrate the holiday spirit.

Announcements

In February, children will explore fun themes such as Pets, Valentine's Day, Cooking, and Apples. Students will learn about pets through stories, counting activities, and dramatic play.

Our Valentine's theme will focus on friendship and kindness through crafts and activities. We will also host a Valentine's Potluck, and we look forward to families joining us and sharing delicious dishes as we celebrate together.

During this time, our students will focus on letters N-Q, numbers 14-17, and colors including red, yellow, blue, and orange through hands-on learning, songs, and classroom activities.

In March, themes such as Dr. Seuss, Bugs, Spring, and Weather will encourage curiosity and exploration through storytelling, crafts, sensory play, and simple science activities.

In April, children will explore Rainbows, Easter, Camping, Earth Day, and Pond Life. Activities will include creative art projects, environmental activities, and a fun Easter Egg Hunt for the children.

Upcoming Events

- April 3 – Good Friday (School Closed)
- April 14 – School Picture Day (TBD)

Looking ahead to May

- May 8 – Mother's Day Celebration
- May 25 – Memorial Day (School Closed)
- Last Day of School: (May 22 – SST's, May 29 – Alief ISD, June 4 – HISD)

Thank you for your continued support and for being an important part of our school community. We look forward to more learning and joyful moments together!

Warm regards,
Little Scholars Learning Center
